Infirmary Cancer Care is set apart from other cancer programs due to the scope of comprehensive treatment and streamlined patient care access.

The Infirmary Health cancer program is recognized by the Commission on Cancer for commitment to providing comprehensive, high-quality and multidisciplinary patient care.

Appointments with our cancer experts are fast-tracked in order to deliver care as quickly as possible, from prevention and diagnosis through treatment and follow-up.

**To make an appointment,
please call 251-435-CARE (2273).**
